

## **December 6, 2009 Minutes**

**Attendees:** Mike, Sally, Ann, Jim, and guests were Ward Deter and Mark Distler

**Minutes:** November minutes were not available.

**Budget:** No budget report.

**Calendar Project:** Jim and Ann reported that the 2010 calendars are scheduled to be printed any day and may be delivered to City Hall as early as Thursday of this week. Two-person teams were set up by using Forestry Board members and guests, Ward Deter and Mark Distler, who volunteered to help, with the distribution. Jim will e-mail all members, including associate member Ellen Guthrie, as soon as the calendars are received. He will divide the City streets among the teams and provide them with maps. Jim will also arrange for City Hall to be opened the morning of distribution.

Unfortunately, 3 of the calendar photos did not contain enough pixels to allow enlargement to 11X14 inches while maintaining clarity. In these 3, a ghost border was included around the reduced picture size.

Both the silver mint julep cup to the printer and the gift certificate to Bill Wooldridge were delivered for their assistance on this effort.

**Nursery:** No report. The Fall tree-give-away was successful with many Anchorites receiving trees and having very few left over.

**Anchor-age:** In the upcoming issue, residents will be thanked for submitting their calendar contest photos. The names of those whose photos were used will be mentioned. Also, additional calendars are available at City Hall for \$5 each.

**Canopy Campaign:** No report

**Hazard Trees:** No report

**Arbor Day:** No report

**Anchorage Pride:** No report

**Old Business:** None

**New Business:** The Board welcomed Mark Distler, who is visiting for the first time and may be interested in applying for membership.

**Next Meeting:** January 4, 2010 at 9:30 A.M.
